"WE VISITED BERNARDA AT BELOKRANJSKO IZROČILO..."

28. 11. 2017

"We visited Bernarda at [Belokranjsko izročilo](#) in Črnomelj to have a go at making our own pogača, and have to say it turned out pretty well. [Belokranjsko izročilo](#) also makes a lot of products using local lavender, including the rather divine lavender lemonade, really refreshing on a hot summer's day."
