

LUXURY OF FREEDOM

Kolpa River Slovenia

KZ METLIKA

29. 03. 2016

The underground built, 108 meters long wine cellars are inviting to their premises all lovers of true, noble Bela Krajina wine. With an annual production of around 750,000 litres of wine, cooperative winery covers the entire vineyard region and wine-growing district of Bela Krajina. They believe that, in order to achieve excellent quality, special care must begin in the vineyard, so the grapes are all hand-harvested and processed in supervised conditions. Once staying at BIG BERRY Kolpa River Resort, do not miss the opportunity to visit KZ Metlika and taste the wide variety of wines.
