## BIG BERRY @Oljarna Pečarič

### EVENT #2 July 30, 2016

Oil tasting at Oljarna Pečarič

Participants: Tanbay and Laura from [Travelling Weasels](#) & Eileen Cotter from [Pure Wander](#)

Mollie Leal, Karina Calderon, Martin Ranningei, and Alberto Sanchez from [BIG BERRY](#)

Oljarna Pečarič, part winery and part oil producer, hosted our group for a delicious oil tasting. We indulged in about 15 different oils: everything from walnut oil to rose hip oil to poppyseed oil. We learned that every oil has its own special healing qualities that can improve the skin, organ functions, and digestive issues. Now we're inspired to create our own delicious recipes featuring Pečarič oil and herbs from the [BIG BERRY](#) garden!

Tasting Duration: 40 minutes

Oils Tried: 15

Bread Squares Eaten: 20
