Minutes for waiting pizza: 20min

Rating: \*\*\*\*\* professional

Pizza: Belokranjska, Mešana, Vegetariana

Hospitable staff of »Pri starem Pildu« was kind enough to let us make our favourite lunch – pizza! It was quite an experience for our participants, especially for blogger Craig who has made personal decision long time ago, to try pizza in every city and part of the world that he visits. We enjoyed looking at them being very enthusiastic!
